About Us & Leadership

Mr. Deepak Vishwakarma

Founder & President
Making The Difference - NGO

- Times Internet Ecopreneur, 2026
- Times Now Amazing Indians, 2025
- Oxygen Man of India, 2021

Making The Difference Charitable Trust

Established in 2015 by Mr. Deepak Vishwakarma and headquartered in Mumbai, we are a community-driven NGO committed to creating measurable social impact through women’s empowerment, healthcare access, education support, and environmental action.

Vision Statement

An equitable and empowered society where every woman, child, and marginalized community can thrive with dignity, opportunity, and a healthy environment.

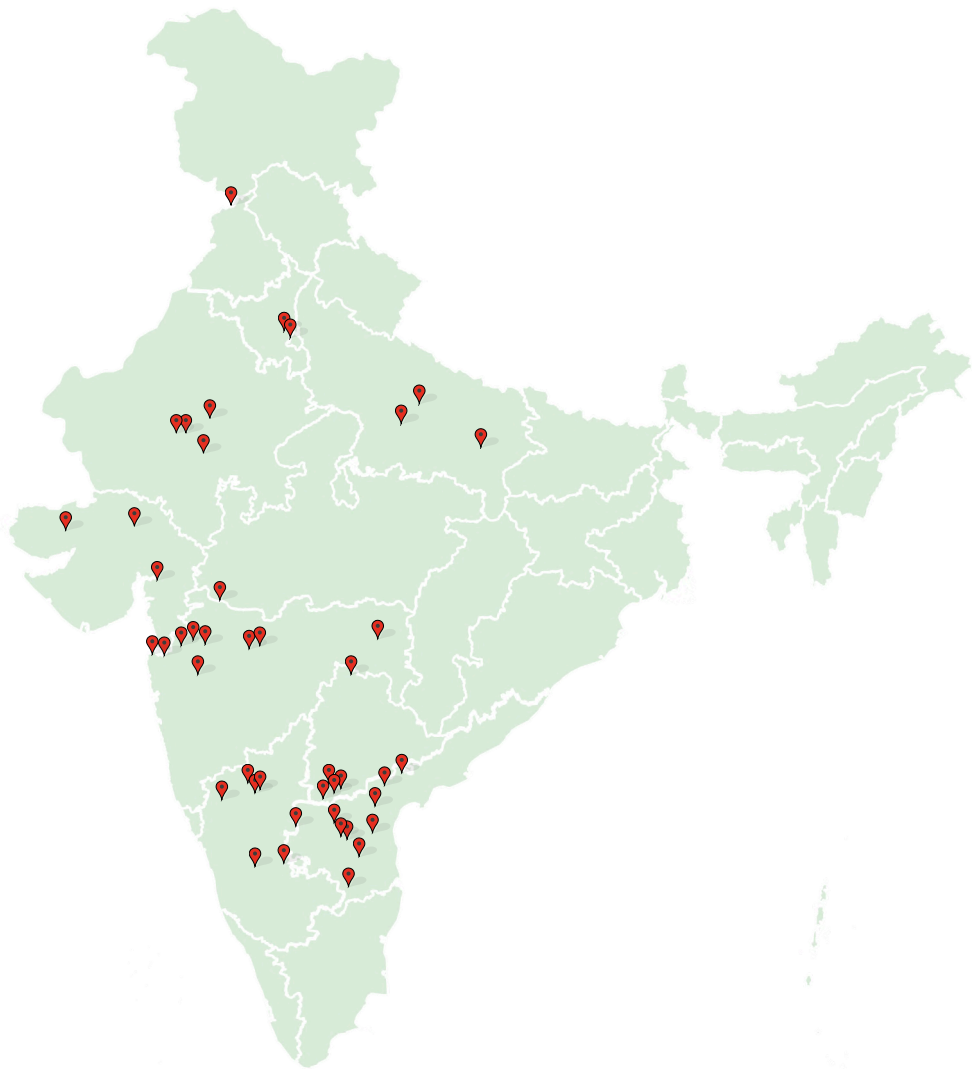

Mission Statement

To create measurable and lasting social impact by improving access to education, healthcare, and sustainable livelihoods for marginalized communities, while empowering women and promoting environmental responsibility through inclusive, community-driven action.

Founder’s Desk

“Delivering high impact with the right balance of heart and hands. We address complex societal and environmental challenges through strategic, scalable, and community-centric models.”

Strategic Communications

The WHEEL Concept

To achieve our long-term vision, Making The Difference operates under the W.H.E.E.L. model—a set of guiding pillars that ensure every action we take serves our community and planet.

The WHEEL Pillars

Women Empowerment

Project Lajja

Promotes Menstrual Hygiene Management (MHM) & Sexual & Reproductive Health (SRH) awareness, driving safe practices & reducing stigma.

Health and Hunger

Project Sanjeevani, Roshni, Kill Hunger

Enhancing access to healthcare through blood donation, critical patient support, free dialysis centers, and essential medical equipment to PHCs.

Education

Project Gyandaan

Advancing education across India by strengthening government schools, enabling technology-driven learning, and improving rural school infrastructure.

Environment

Project Shoonya & Kinara

Promoting environmental sustainability through beach cleanups, waste management awareness, Miyawaki urban plantations, and climate action.

Livelihood

Project Crafting Lives

Empowering women, including widows and persons with disabilities, through vocational skill development to foster dignified financial independence.

Impact till Date

- 

Project Lajja

Women Empowerment

Educated **32300+** girls on menstrual hygiene | Conducted medical camps for **2,800** girls.
- 

Project Sanjeevani

Health & Hunger

Upgraded **7** Primary Health Centers (PHCs) in Maharashtra | Provided financial support to **10** patients | Donated **7** Dialysis machines to government hospital.
- 

Project Shoonya

Environment Sustainability

Planted **91,000+** saplings across India | Established a **Traffic Park** in 1 lakh sq. ft. area | **2** lake restoration project | Donated **2 EV's** for waste management.
- 

Project GyanDaan

Education

Established **10** computer labs | Upgraded classrooms in **8** schools & distributed essential materials in **65+** schools | Constructed **3** toilet blocks and **3** dining sheds.
- 

Project Roshni

Special Visual Support

Eye screening for **11,000+** beneficiaries & **8,374** Spectacle Distribution | Set up AI lab for visually impaired beneficiaries.

Restore dignity, improve health, increase awareness, and reduce school absenteeism among adolescent girls.

Why Partner With Us

Google Reviews

★ 4.9 / 5

Based on 2300+ NGO reviews

Justdial Rating

★ 4.8 / 5

Based on 2200+ Highest Votes

Compliance Excellence

100% adherence to regulatory standards with 80G/12A/CSR-1 compliance and a clean track record of 11 years of financial audits.

Performance-Driven

Corporate-grade KPIs applied to every project. Over 95% of our budget is deployed directly to field-level impact.

Grant Utilization Rate

Maintained an average grant utilization rate of 99% across CSR-funded projects.

Data-Backed Insights

Real-time impact monitoring to provide transparent, dashboard-ready reporting for all corporate partners.

Audit & Transparency History

Zero instances of non-compliance in external financial audits.

Collaborative Approach

We function as an extension of your CSR team, providing regular stakeholder updates, joint field visits, and co-branded impact documentation.

Scalable Infrastructure

Our established Pan India network allows for rapid project deployment and seamless scalability based on partner needs.

Specialized Team

Led by a team with corporate and social sector experience, bridging the gap between strategic intent and ground-level execution.

Alignment with ESG Goals

Our programs are architected to map directly to your ESG and CSR priorities.

Client Testimonials

“

Our collaboration with MTD has been a transformative journey. Their 100% waste segregation initiative has not only improved environmental outcomes but also created lasting awareness in our communities. Together, we are building a cleaner and more responsible tomorrow.

Mr. Nitesh Bhimte

Senior Manager - CSR - GIC Re
General Insurance Corporation of India

”

“

All digital school labs set up by Inorbit Mall and MTNGO have opened new worlds of learning for hundreds of students. It's inspiring to see how technology and collaboration can empower young minds and prepare them for a brighter futures.

Mr. Ravi Sibal

General Manager - Operations
Inorbit Mall Malad

”

“

Upgrading the Primary Health Centres was a much needed step, and we are proud to have partnered with MTD. This initiative will strengthen healthcare access and impact thousands of lives across the regions.

Ms. Priya Hariani

CCO & Company Secretary
PPFAS Mutual Funds
